

RESOLVING A HOLD (STOP) ON YOUR STUDENT ACCOUNT

1. **Check Self-Service to see if you have any holds or stops placed on your account.** Log in to [Self-Service](#) and hover over the REGISTRATION tab and click COURSES. If you have a hold, you will see a banner in red with a message “Account is on Stop list.” You will see the date that the hold was placed on your account as well as a description of the hold.

2. **Contact the office responsible for placing the hold** and make arrangements to fulfill your obligations and have your hold released **before** you attempt to register for courses. The stop code and corresponding office can be found in the chart below. Some, but not all stops will prevent registration processing, transcript viewing or ordering, receipt of diploma/certificate. Review the Notes column for each stop in the chart to see what it may prevent.
